What our Customers Say

*Our sales are up 120% this year
for the same time period
- and we are in a recession!
Yes increase of 120%!
I am a happy Bridal network customer!*

*~ Linda Moore,
Nuptial Celebrations, St. Catharines*

*Bridal Network is just the BEST!
From the very start when I chose to put my company
on your web, I had more interest than any other
'advertising' I'd done in the past and spent loads of
money. I've paid a modest sum and I can not believe
the action.*

*You are always thinking of us out there and it really
shows! ..I just wanted to give you a big heart felt
THANK YOU! Keep doing what you do best
because it allows us to do what we do best!*

~ Blissful Hearts Wedding Flowers, Maple Ridge

*Just wanted to send you a note to say
I am really happy your site exists.
As a new photographer it is hard to trust
where to place my advertising.
(ie: respond weddings is not a great place...
as I've found out...)*

*Your site has been easy to navigate and
I have had many responses to my
pay per click ad. thank you...
- Eye of the Beholder Photography, Calgary*

*Hi, thanks for such interesting
and useful information.
Your past two emails have been
probably the only useful info
I've received from the "wedding
industry" in the last 5 years.*

*- PapelVivo Invitations,
Vancouver*

*Wow! I am impressed...
this is the only website that I am linked to
that takes the time to aid its vendors like this!
I would like to thank you very much
for following up on this ... keep up the good work!*

~ Nicole Moore, The Ottawa Cake Lady

*I'm actually quite impressed with the email alerts.
You have absolutely taken the steps to rise above the rest
and actually take a care and an interest in your patrons
with Bridal Network...
too bad more companies/people were not like you!
Kudos!!!*
